# CERTIFICATE

The WTA – Wissenschaftlich-Technische Arbeitsgemeinschaft für Bauwerkserhaltung und Denkmalpflege GmbH certifies here with that company

## Sievert Baustoffe SE & Co. KG

Has provided results from suitability test and process control for restoration **render systems** according to WTA-guideline 2-9-20 and that these results have been verified by the WTA-examinations board für restoration mortar systems. Initial tests were carried out by an institute recognised for mortar evaluation.

Evidence of external quality control was provided. The below-mentioned product has passed the suitability test and thus meets the criteria of the WTA-guideline.

**hahne INTRASIT VS-WTA Plus 54Z**
**hahne INTRASIT GP-WTA Plus 54Z**
**hahne INTRASIT SP-WTA Plus 54Z**

The product may be labelled with the service mark
This certificate may not be transfered to other restoration mortar products. This certificate is valid for two years from date of issue. The period of validity can be extended on presentation of the results of an external quality control.

Valid until: October 2027

Berlin den 08.10.2025
